OVERSEAS INSURER

The above insurance policy is to be placed with an unauthorised foreign insurer and we certify that the risk insured under this policy cannot reasonably be placed with an insurer who is authorised to carry on insurance business in Australia. An unauthorised foreign insurer is an insurer that is not authorised under the Insurance Act 1973 (Act) to conduct insurance business in Australia and is subject to the provisions of that Act, which establishes a system of financial supervision of general insurers in Australia that is monitored by the Australian Prudential Regulation Authority (APRA).

We do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance and this can be affected by many complex commercial and economic factors. The solvency of an insurer can change significantly between the time an insurance contract is entered into and the time a claim may be made. If you have concerns about the insurer's solvency you should review the insurer's credit rating from time to time.

The policy and the insurer are not subject to Australian law so you may not have the protection of Australian legislation such as the Insurance Contracts Act 1984 and you may have to resolve any dispute in a foreign jurisdiction. The insurer's country of domicile and website address are:

Island of Nevis (Isles & Federation of St Kitts Nevis)

Newpoint Reinsurance - Licensed Reinsurance Company in the Island of Nevis (Isles of St Kitts Nevis)
